# Hamburger Menu (Mobile)

The image shows a mobile website layout. At the top right is a hamburger menu icon (three horizontal lines). Below it is a dark blue header bar containing three white links: "PROJECTS", "BLOG", and "CONTACT". Below the header is a light green main content area. In the center of this area is a circular profile picture of a man with short hair, smiling. To the right of the picture is the name "Luke KB" in a large, bold, black sans-serif font. Below the name is a bio in a smaller, italicized black font: "Full Stack Web Developer. Proficient in Ruby, Rails, Javascript, Node.js, CSS, HTML".

# **Next Steps**

- Utilise some more css animations
- Refine some of the UI, eg buttons and icons & styling of current page name
- Style out the project section a little more
